Riverdale City bills residents for water, sewer, garbage/ recycle and a storm water fee on a monthly basis. Bills are sent out near the beginning of each month charging residents for the previous month's service. Water meters are read for usage every month. During the winter months if we aren't able to read we will average as needed based on prior usage.

GARBAGE COLLECTION DAY

The City contracts with a private company to collect residential garbage, which is collected once per week. Put your garbage out on **TUESDAY NIGHT, or at the very latest, by 5:30AM on your collection day.** If you forgot to put can out please let us know and we can make arrangements with them to pick up bagged garbage if your can is full the following week. In most instances they are already gone and out of the city by the time you realize you were missed, and they won't come back.

Place can at the curbside at least 6 feet from each other. **ROCKS, DIRT, CONCRETE, BULKY METAL OR WOOD as well as paints, oils and chemicals are NOT allowed in the garbage for pick up.**

RECYCLES are picked up every other week. Please see our website at www.riverdalecity.com for acceptable items. **GRASS IS NOT ACCEPTABLE**

DIRECT PAY, ONLINE PAY OR BANK BILL PAY

Direct pay can be set up through the City with a voided check and application.

Xpressbillpay.com This allows you to have 24/7 access to view/pay your account; you just need your account number.

Bank bill pay would be set up through your bank.

You can mail in a payment or pay at the office via, cash, check, money order or credit/debit card. (Visa, Discover and MasterCard are accepted)

EQUAL PAY

Equal pay is **only available** if one is signed up for City Direct pay and **has been at current residence for 12 consecutive months.**
