

MAYOR'S CORNER

STATE OF THE CITY 2009

Riverdale Road Project

In our December newsletter, I mentioned that the Weber Area Council of Governments had allocated right-of-way acquisition funds for the viaduct to Chimes View Drive phase of the Riverdale Road project. We are now pleased to learn that the State Transportation Commission has made the commitment to match this funding. This is an important step in moving the project forward.

In this difficult budget year, we are working closely with our State Representative Brad Dee and others in the legislature to find ways of funding the completion of the project in this year. Overall budget shortfalls remain the question mark for most highway projects statewide. The state as a whole is applying for a portion of the proposed Federal stimulus money for road and bridge projects. We will apply for those if other funds are not forthcoming.

Our Administrative Strategy Team

We have met administratively to look at other ways that we can maintain and improve services to you without borrowing or raising taxes in any way. One additional area our city is looking at is the before mentioned Obama Administration stimulus proposal. This proposed money is meant to help states as well as cities complete vital projects. We have identified many projects of infrastructure and other special needs in our city that we believe are prime candidates for this funding. We are preparing plans now in anticipation of the official word should the funding become available.

Budget in Balance

We cannot control any of the outside circumstances of the national or worldwide economy. Nor can we control the business climate that puts the stores in our community at risk. But we can continue to support our local economy first and buy locally whenever possible.

We have taken many hits against our budget over the last 3 years. In response, our leadership team (Mayor, City Council, City Administrator and our department heads) have taken many cost cutting and cost saving measures to stay in balance. We are already down several employees from the level previously authorized, resulting in other employees who have responded very positively to fill in and step up to continue the excellent service you deserve.

We work to ensure that our funds are used for projects that are vital to the core services that we are obligated to provide to make this a safe and strong service oriented community. We will look to provide more amenities when we can do so without cutting into the core service areas. We have not given up on projects such as more play fields, skateboard park, splash pad and the like, but these projects cannot be completed at the expense of needed road improvements or indebtedness.

As we move forward this year, we will be sharing these issues with you in our public hearings. As always, we desire to receive your input as we strive to make this another great year in Riverdale City.

Thanks to all of you, for what you do to make our City Great.

Bruce Burrows, Mayor

CITY IMPLEMENTS AMBULANCE SERVICE

On February 2nd our Riverdale City Fire Department began providing ambulance service to the majority of the city. The department purchased two used ambulances which were refurbished and prepared for service. The ambulances are staffed by experienced EMT's 24 hours a day. This new service will provide for a quicker response time when residents are in need of medical attention.

SEWER RATE INCREASE

Riverdale City operates and maintains our own sewer collection system, but the processing of sewage is done at the wastewater treatment plant operated by the Central Weber Sewer Improvement District. The majority of the sewer fee included in your city utility bill is for the operation of the treatment plant which is charged to the city by the District.

The District is currently undergoing a \$140 million upgrade and expansion of the treatment plant. A letter from the District explaining the project can be found on the city website at www.riverdalecity.com. To finance the project the District has now doubled the rates charged to the city and will increase rates 20% each year for the next three years.

Our city officials and administration have strived to keep sewer rates as low as possible. But faced with a 100% increase in rates charged

(Continued on page 2)

THE BIG FIX ON TOUR COMING TO RIVERDALE

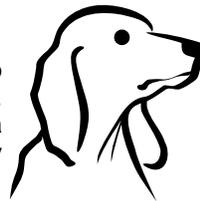

On Thursday, February 12th, The Big Fix on Tour will be making a stop at the Riverdale Fire Station (4334 S. Parker Drive). The Big Fix on Tour is a mobile spay/neuter clinic for dogs and cats at discounted prices.

As of this writing there are only a few open spots for cats left. However, walk up vaccinations and microchipping will be available to anyone for a discounted fee while the veterinarian is on the premises. Vaccinations available include: dog or cat rabies, cat leukemia, and dog and cat distemper combo. If you have any questions please call 394-6616.

DOG LICENSE RENEWAL

If you have not yet licensed your dog for 2009, please do so at the Civic Center, 4600 S. Weber River Drive. Registrations taking place after March 1st will be assessed a \$25 late fee. A registration form can be printed from the city website at www.riverdalecity.com.

RECREATION NEWS

INTRAMURALS

Our next activity is Crab Soccer beginning February 17th. This is a fun activity for all kids ages 8 to 18. The cost is \$5.00 for residents and \$10 for non-residents. A registration form can be printed from our website at www.riverdalecity.com. For more information call 621-6084.

TABLE TENNIS

Our next adult table tennis tournament will be held at the Community Center on Wednesday, February 11th from 6:00 - 8:00 p.m. Cost is \$1.00. For more information please call 621-6084.

START SMART BASEBALL

Coming in March we will have our Start Smart Baseball program for children 5 and 6 year olds. We will be teaching them the basic skills of baseball. Cost will be \$25.00. Sign ups will take place at the Community Center or call 621-6084 for more information.

SEWER RATE INCREASE *(Continued from page one)*

by the District, it is necessary for the city to implement a sewer rate increase effective with this months' utility bill. The rate increase will result in residential customers paying \$11.02 for sewer service, an increase of \$2.53.

The city also has a number of sewer line projects that will require attention in the near future. The necessity of these projects will also likely impact the sewer rate. However, any change in the rates will only be implemented after careful consideration and only when it is absolutely necessary.

If you have any questions or comments, you may submit them on the city website under the Citizen's Help Desk area or call 394-5541.

NEWS BRIEFS

CITY HOLIDAY SCHEDULE

The Riverdale City Offices, Court, and Senior Center will be closed for Presidents' Day on Monday, February 16th. The Community Center will not close. It will be open from 6:00 a.m. to 9:00 p.m.

UTILITY BILL EQUAL PAY

City utility customers may sign up for Equal Pay and be billed an equal amount each month based on last years billing. Direct Pay is required for those who choose Equal Pay. For more information, please call 394-5541 ext. 1201.

RDA HOUSING PROGRAM

The RDA Housing Program offers a variety of options aimed at improving the residential areas of the city. The programs offered include:

- **Improvement Loans:** This program provides no-interest or low-interest loans of up to \$30,000 to homeowners who meet certain income guidelines. Loan proceeds must be used to make property improvements to owner occupied Riverdale residences.
- **Targeted Area Property Improvement Purchase Assistance Program "R-2":** For the Improvement and/or purchase of owner occupied residential real properties located in an R-2 Zone that are converted from existing two-family to single-family dwellings.
- **Purchase Assistance Loan Program:** This program will provide purchase assistance for those buying a home located in specific target areas of the city.
- **Residential Relocation Program:** This program provides relocation assistance for homeowners residing in the 550 West RDA Project Area.

Details of the RDA Housing Program can be found at www.riverdalecity.com, or at the Civic Center.
