

MAYOR'S CORNER

Thank you Wayne

A great public servant has officially moved on. Wayne Hoaldrige our Police Chief of many years and more recently Director of Public Safety has moved on and relocated to Utah County. Wayne has been with the City for over 15 years and has been a great asset with a wealth of experience. He has overseen both police and fire for the last several years, and has done so with a great deal of energy and professionalism. In both capacities as Police Chief and Director of Public Safety he has demonstrated his adaptability to change and strength of leadership. We wish him well in the future and will miss his big smile, his great sense of humor and the energy that he gave to every assignment. Thanks for the many great years.

Welcome aboard to Dave Hansen

Dave Hansen has accepted the challenge to fill the position of Police Chief. I have decided to recommend the separation of the police and fire services rather than filling the position of Director of Public Safety. I submitted the plan along with the recommendation of Lt. Hansen as the Police Chief to the City Council who supported it. Dave has 20 years experience in law enforcement. He has been Officer Friendly, overseen the Dare Program, and when I asked the police to get to know the neighborhoods better he was the one in charge of that assignment. I believe he will be a great asset as Police Chief.

A way to recognize courage

I hope to announce soon a way to recognize the courage and sacrifice of the men and women from Riverdale that have served in the various branches of service in the many wars and conflicts through the years. At our 4th of July celebration last year, we honored those who served up to the Korean War. This year we honor those from Vietnam to the present day. Councilor Dave Gibby made a suggestion that we have some kind of memorial. I have proposed and we are studying the best way to permanently honor those who have served our country and our city.

Thanks for making this a great city in which to live.

Bruce Burrows, Mayor

NEW FLAG POLE TO BE DEDICATED

By George Whitley

The Riverdale Lions are dedicating a new 30-foot flagpole at the Riverdale Senior Center, 4433 South 900 West, on July 12th at 1:00 p.m.

Riverdale Lions past President Brent Ellis wishes to thank all those individuals involved in this Lions project, including Mickie Layton, Senior Center Coordinator, Lynn Molding, Public Works Director, and his department for their assistance and help in completing this flagpole project.

A special thank you also to all members of the Riverdale Lions Club who raised the funds and donated time to complete this project. The flagpole will remind us all of the freedoms we enjoy and the sacrifices that have been made in our behalf.

We also wish to dedicate this Lions project in memory of Lion Wallace M. Knight, Riverdale Lions Clubs last Charter Member, and to honor his 53 years of service to our community. We invite all Riverdale residents and anyone interested to attend this dedication. Each year, for 53 years, Riverdale Lions have completed many projects to benefit our community.

If you are interested in finding out more about the Riverdale Lions Club please contact George Whitley at 393-8097. We would like to give you more information about our Club and invite you to one of our meetings.

SHINY NEW BIKES

By Dave Hansen, Police Chief

I grew up in Ogden and had a wonderful childhood. I remember (as an 8 year old) saving money to buy a shiny new red bike with my brother Mark. It was probably the greatest day of my life (up to that point). A few months later our new bicycle was stolen and we were devastated. We now had to carry the papers on our paper route with shoulder bags since we no longer had a bike. We later were informed that our bike had been recovered and responded to the Police Department to regain custody of our bike. It was sure nice to have it back even though it had been vandalized.

I was looking in our evidence locker lately and discovered that we as a Police Department have recovered many stolen bikes that were never claimed by their rightful owners. So we would like to encourage you to call the Police Department and give us a description (hopefully you have already reported the loss), so that we can check to see if we have recovered your stolen bicycle.

Please report any theft so that we can work towards recovery of your property. Also, a word to the wise; help prevent your child's bike from being stolen by securing it at night and not leaving it out where thieves might have access to it.
