

MAYOR'S CORNER

Please Wait Until all the Facts are Known

We had a resident call in to the office and say "I want to definitely opt out of the recycle program". First of all, let me say we do not have a recycle program in Riverdale City at this time. It's true, we are studying what all of the ramifications of having such a program are and the costs involved. We presented as part of the tentative budget the anticipated cost amounts if we were to have a desire to implement such a program. The final budget may contain some provisional money in case it is something the citizens want in a large enough number to make it work. We have been evaluating recycling programs for over 5 years and they haven't proven cost effective up to now. The costs have come down to between 3 and 4 dollars per can, which seems to be something most people in our surrounding cities are accepting as reasonable. We will find a proper method of notifying all of you and letting you give us your input before any program like this is adopted.

Thanks to the Wal-Mart Team

A group of volunteers from our local Wal-Mart have stepped forward again headed by store director Jason Allred. They took the time to work to help one of our families here that have a husband and father deployed in the military. They saw a need for yard work and repairs and spent the time to help this family with few other resources. They also enlisted assistance from our Robinson Waste to help out with a dumpster. It is this type of spirit that makes us a great city and a great state and nation. Thank you Jason and to all your team at Wal-Mart and to Robinson Waste for caring for others!

Veteran's Memorial and Donations

We want to thank our Veteran's Memorial committee for the great work they have done to make some very nice enhancements to what will now be a memorial at the Civic Center, to honor those who have served us all so well. We thank the many people who are participating on the committee and also thank those who are donating to the expansion of the memorial. We have had several significant donations from our business community and organizations. I would personally like to thank America First Credit Union, Ellis Printing, and the Riverdale Lions Club for their generous donations. We have also had donations made through 'hole sponsorships' at the Riverdale Business Appreciation Golf Tournament from Wal-Mart, America First Credit Union, Tony Divino Toyota, Larry H. Miller, Chili's, Rumbi Island Grill, Lighthouse Chevron, RC Willey, and Sam's Club. We encourage everyone to join in contributing to this worthy project.

Thanks for all you do to make our City Great.

We will convert pictures into digital files and return the originals to you.

"Did you know?"

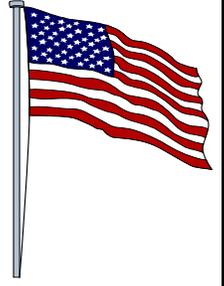

- ⇒ Car dealerships generate very good sales tax revenue for our city. Their high average sales per customer means generally less traffic on our roads than a typical "big-box" store. The nature of their business does not burden our city resources with support costs (bad checks, shoplifting, etc.).
- ⇒ Our residential property taxes are leveraged by about a 10 to 1 ratio by sales taxes. For every \$0.105 residents pay in property taxes, we collect about \$1.00 in sales taxes. This good news means that shoppers assist residents with the costs of our police and fire departments while as residents we gain the benefit of having a very professional and highly trained and efficient support group. As a comparison, a couple of other area cities collect about \$1.45 and \$1.35 in property taxes for each \$1.00 they collect in sales taxes.

HELP CONSERVE WATER

As the temperature continues to rise, our lawns and gardens need more water to grow. However, the average household often over waters during the hot summer months. Being a little water conscious can go a long way in conserving water. Here are a few tips to follow.

- Do not water between the hours of 10:00 a.m. and 6:00 p.m.
- Adjust sprinkler heads to avoid watering driveways, sidewalks or other unnecessary areas.
- Turn off your sprinkler system on rainy days.

Each unnecessary watering that can be eliminated will save enough water for about 104 showers, 52 baths, 52 loads of laundry, or 312 toilet flushes. For more water conservation information please visit the city website at www.riverdalecity.com.

TRIM TREES AND BUSHES

As the growing season continues we hope that all residents and businesses take pride in their landscaping. We ask that you pay particular attention to the sidewalk and curb areas. Please ensure that all trees, bushes, etc... are trimmed so they do not cover or hang low over the sidewalk. Also, please ensure that low hanging tree branches are trimmed so they do not interfere with the garbage truck.

We would like to thank those home owners and lot owners who have stepped up and improved the landscapes. We appreciate all that everyone does to help maintain and beautify the city.

RECREATION NEWS
