

MAYOR'S CORNER

State of the City 2013

In an economy struggling to regain life and with many in the federal government trying to shoot down every good attempt to do so, it is hard to stay positive. We may be saddled with more regulations and more taxes and perhaps the "sequester" plan. With all of these it is difficult to stay positive about the future. We have kept a wary eye on all legislative efforts both state and federal to try to make the most of our fiscal resources and keep on track with the local recovery. So far we are doing pretty well and will most likely end the fiscal year in June a little better than our original projections, up just about 8% over last year during the same period. We hope that these new numbers hold up so we can avoid any cuts in service.

Balancing Our Budget

We have taken many hits against our budget over the last seven years. Our leadership team, Mayor, Council, Larry Hansen and all the department heads, have taken many cost cutting and cost saving measures to stay in balance. We cannot control any of the outside circumstances of the national or worldwide economy. We cannot control the business climate that puts the stores in our community at risk. We can continue to support our local economy first and buy locally whenever possible. You as a community have responded very well to that challenge, thank you for doing so. We work at trying to not pay interest or put our funds at risk with projects that are not vital to the core services that we provide to make this a safe and strong service oriented community. We are already down several employees from the level previously authorized and the other employees have responded very positively to fill in, step up and continue the excellent service you deserve. With these precautions and the slight improvement, we are optimistic about a slow steady climb out of the hole dug for us by others. We will continue to meet administratively to look at ways we can provide more, fix more, replace more, solve more, and serve better without borrowing or raising taxes in any way, that is my pledge.

Riverdale Road Final Phase

The final section of Riverdale Road widening that was approved to move forward in last years legislature is now in the preparation stages with core samples being taken and engineering studies being finalized. Some preparation work will take place late summer or fall 2013 with the bulk of the work being done in 2014. The estimate right now is for completion before Thanksgiving 2014. It will improve the ability to handle traffic flow in and out of Roy. We are currently meeting with UDOT and Roy officials to make sure all of the traffic needs are met for everyone in this last and vital piece of the traffic flow puzzle for southwestern Weber County.

Thanks to all of you, for what you do to make our city great.
Bruce Burrows
Mayor

REVERSE 9-1-1 EMERGENCY NOTIFICATION

The Riverdale City Emergency Reverse Notification System allows emergency officials in Riverdale to notify citizens and businesses in your neighborhood of emergency situations and emergency information. This may include information such as:

Evacuation notifications
Missing children alerts
Water and power outages

Public Works concerns
Emergency conditions

This system primarily utilizes the 9-1-1 database for resident and business phone numbers. However, we recognize that many residents rely on their cell phones / email for emergency notifications and that many of our residents do not have land line phones in their homes. To address this, Weber County Emergency Management has created a registry system for cell phones and email.

Cell phone and e-mail registry

You can register up to six phone numbers and up to two email addresses to receive emergency notifications. Notifications will be sent using a recorded voice message to cell phones, alternate land lines, and/or written messages to email and SMS/text devices.

To register your cell phone or email, please visit the city website at www.riverdalecity.com and follow the link on the homepage. When you are at the registry page please read all the information carefully before registering.

Once you register, your address is locked in to your cell phone number. The system is tied to the address, not the location of your cell phone. In other words, you will receive notifications related to your neighborhood where you live and not for the physical location of your cell phone.

It is important to keep this registry current. If you move, change phone numbers, or get a new email address, you must update your registration in order to receive emergency information. Please remember your password as you will need it to update your information. When you move, make sure you log back in and delete your information so that the new residents can register their cell phones to the address.

The reverse notification system supplements, rather than replaces, other emergency communication methods including television, radio, websites, and other media. There is no substitute for personal preparation. In a disaster, government and other agencies may not be able to reach you and meet your needs. It is important for all residents to make individual plans and preparations for their care and safety during unexpected emergencies.

SPRING CLEANUP

Our spring cleanup has been scheduled for Saturday, April 20th. As with the previous cleanups, dumpsters will be placed at three locations around the city. More details will be published in our April newsletter and at www.riverdalecity.com.

STUDENTS NEEDED

Students that are currently in the 9th, 10th, & 11th grades, who attend or will attend Bonneville High School, are invited to join the Communities That Care (CTC) Youth Committee at the school. CTC is a coalition from Riverdale, South Ogden, Uintah, & Washington Terrace cities working to protect youth from drugs, alcohol, tobacco and other threats to young people. For more information contact Norm Searle, 801-393-9345.

BE A WATERSHED WATCHDOG

If you see a potential storm water problem, such as clogged storm drains, trash in the gutter, pollutants washing into or discharging from the storm sewer, or uncontrolled erosion from construction sites, please contact the Riverdale City Public Works Department at 801-394-5541 ext. 1201.

DONATIONS REQUESTED

The Riverdale Senior Center is accepting good, clean, usable items and clothing as donations for their annual yard sale. The funds raised from the yard sale will go to help support the Senior Center programs. Please drop off items at the Senior Center, 4433 S. 900 W., Monday - Friday, 8:00 a.m. to 4:00 p.m. The yard sale will be held on Saturday, May 4th.

MEMORIAL TILES

Tiles for the Veterans Memorial may be ordered at any time, however in order to get tiles mounted on the Memorial by Memorial Day, tile orders must be placed by April 1, 2013. If you or someone you know wishes to purchase a tile please obtain a Tile Order Form at the Riverdale Senior Center or the city website. If help is needed filling out the form, contact the Senior Center and they will direct you to someone who can assist you.
