

MAYOR'S CORNER

LAW ENFORCEMENT APPRECIATION WEEK

During our upcoming March 17th City Council Meeting, it is expected that the City Council will approve a resolution to designate the week of March 23rd-31st as Law Enforcement Appreciation Week in Riverdale. This time is being set aside as we recognize and show our appreciation to the Riverdale City Police Department and other law enforcement agencies serving our community. These include the Utah Highway Patrol, Weber County Sheriff's Office, and the 75th Air Base Wing Security Forces Squadron. These agencies provide a tremendous service to Riverdale City and our neighboring communities as they keep the peace and make Riverdale City a safer place to live and raise our families. We sincerely appreciate their service!

This special week in our community will have at least three events to honor our protective forces. The first will be a "lunch with the children" for our police officers hosted by the Riverdale Elementary School on March 27th. The next event will occur on Monday evening, March 30th, from 6:00-8:00 p.m. when the Riverdale City Police Department will host an Open House at the Police Station. The Police Station is located at the north end of the Riverdale City Civic Center at 4600 S Weber River Drive. This Open House is for all residents and their families. Hopefully you will take this time to meet some of the police officers and thank them for their exemplary service. There will be displays and refreshments. "Have a donut with the cops!" The final event will take place on Tuesday, March 31st with a luncheon for members of our department along with those from other agencies serving in Riverdale.

PLEASE REPORT SUSPICIOUS ACTIVITY!

On Sunday, February 22nd, a resident told me of suspicious activity in his neighborhood. The resident said there were people coming and going from a neighboring home. Most of these were young people, some appeared to be teenagers. Some came in vehicles, others on foot. The resident was hesitant on whether the amount of activity warranted police involvement. I sent the information to Police Chief Dave Hansen. The next evening, Riverdale Police Officers arrived for a "knock and talk." Before the evening was over, heroin, meth and drug paraphernalia were discovered. The home was being used as a "flop house" where drugs were being consumed before the purchaser left the home. One person was taken into custody and others were cited for drug related offenses. The action of this alert resident by tipping me and the Police Department cleaned up a dangerous drug operation involving young people.

I would strongly encourage you to report any suspicious activity in your neighborhoods to our Police Department. Non-emergency calls are taken by the dispatcher at 801-629-8221. You don't have to give your name when making the call. If things don't look right, I encourage you to make the call! Your call can make a difference!

Help keep Riverdale City a safe place to live!
Norm Searle, Mayor

POLICE STATION OPEN HOUSE SCHEDULED

On March 30th our Police Department will host an Open House at the Riverdale Police Station. Citizens are invited to drop by the station and learn about the daily operation of a Police Department, view law enforcement equipment and enjoy light refreshments. The event will be held from 6:00-8:00 p.m. The Police Station is located at 4580 South Weber River Drive.

The Open House is part of a week long effort to recognize the dedicated service of local law enforcement personnel to Riverdale City and to express continued support for law enforcement agencies. On March 17th a resolution will be presented to the City Council that will declare the week from March 23rd to March 31st as Law Enforcement Appreciation Week.

The resolution also states: "Riverdale City recognizes the tremendous service given by the men and women of Riverdale's Police Department, the Weber County Sheriff's Office, the Utah Highway Patrol, and the 75th Air Base Wing Security Forces Squadron in upholding the law, keeping the peace, and providing emergency services within our city." To view the resolution and additional Open House information, please visit www.riverdalecity.com.
