

MAYOR'S CORNER

Two More Outstanding Employees

It is wonderful to me to be able to again report extra mile service by our employees. Again I want to emphasize that our employees do a terrific job of customer service, but sometimes they go above and beyond. We recently had an armed robbery at Frankie's. These were some extremely violent people from California, with long histories of crime. Detectives Bill Fuchs and Casey Warren went the extra mile to make sure they were taken off the streets quickly. They even worked 24 hours straight at one point during the investigation to ensure their capture. These criminals will most likely be facing a number of Federal violations and hopefully will be in Federal prison for 10 years or more, thanks to the extra effort of these two fine officers.

Keep Parks and Trail Clean

We just completed our spring cleanup, which was very successful. Now we have to keep the city beautiful by watching how we use our parks and trails. I realize that we have many people using our parks and trails that do not live in our city, but we need to set a higher standard ourselves and remind others to protect our wonderful assets by not littering and by cleaning up after ourselves and our animals.

After the Cleanup Day

Because we do not allow tires, batteries or oil at our landfill, those items were not accepted at the cleanup day drop points. I am happy to report one of our great businesses has stepped forward to help. **Les Schwab Tire** at 689 West Riverdale Road has volunteered to take your old batteries, oil and tires and properly dispose of them during the month of May. Thanks to Shannon and his staff for this great service.

Personal Homes and Yards

Most homes and yards in the city are very well kept and beautiful, but we still need to address some ill kept yards and unsightly areas in our various neighborhoods. Please take care of your own yards and not let it get to the point that a neighbor is forced to call and complain, or where the city has to issue a citation because it has become a violation of our ordinance. Take pride in your own domain and keep it up better. If you have circumstances due to health or other valid reason that you can't do it yourself, call me and we will try to get volunteer groups to assist you.

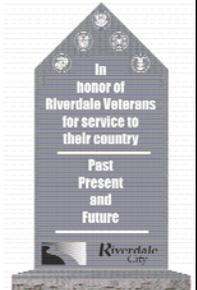

Keeping your home and health safe

A short reminder about medication disposal. There is a safe drop box for old medications at our Police Station. It is available to all residents during regular business hours 8 a.m. to 5 p.m. any weekday. You can dispose of any unused or unwanted medications there in a safe and environmentally friendly way. Don't flush them!

**Thanks for all you do to make our City Great.
Bruce Burrows, Mayor**

VETERANS MEMORIAL

The planning and preparations are continuing for the Riverdale City Veterans Memorial. The Memorial's granite stone is very close to being placed in the court yard of the City Offices. A committee has been formed, made up of Riverdale Veterans and citizens, to oversee the collection of donations and the engraved pavers.

GREEN THUMB / SORE THUMB

It's that time of year when we need to ask ourselves "how does my yard compare with other yards in my neighborhood?" or possibly a more relevant question is whether your property is in violation of City Ordinance. Riverdale City ordinance prohibits any yard from being a nuisance, which means that every yard must be properly maintained. If you wonder what this means please review city ordinance 4-5-1 Nuisances at www.riverdalecity.com under the City Code section. Thanks and have a great summer.

CITY HOLIDAY SCHEDULE

All Riverdale City buildings will be closed for Memorial Day on May 31st. There will be no change in our garbage pickup for that week.

EMPLOYEE SPOTLIGHT

A feature spotlighting the employees of Riverdale City

Roger is married to Lori. He has four children and seven grandchildren. Outside of work Roger enjoys gardening and playing with the grandkids. Thanks Roger for the great job you do!

NEIGHBORHOOD WATCH BLOCK PARTIES

From Police Chief David Hansen

To create better communication between our officers and residents we have divided the city into individual precincts with officers assigned to each. We are looking for someone in each precinct to step up and organize a block party in their neighborhood.

We will spread out the *yellow - DO NOT CROSS - crime scene tape* to shut down the a street in your neighborhood for the 1-2 hour party. We will give a little pep talk on what residents can do to help protect each other and address unique problems to your neighborhood. We will also invite the Fire Department to showcase a fire truck and we will show off some of our police equipment. We have found great success in this approach and think it helps us get to know you and you to get to know us. Our officers love working here and want you to be as safe as possible. To schedule your neighborhood block party call 801-394-6616.
