

MAYOR'S CORNER

Thanks for the Service and Best Wishes

Last week I received and regretfully accepted the resignation of David Gailey from the Planning Commission. He has served since 2006 and has been a wonderful, productive and beneficial member of that body. He has been quick to learn and has studied the issues diligently and thoroughly as he prepared for each meeting. He has worked in harmony with others on the Commission and the City staff. We thank him for his time and service and appreciate all he has done for the Commission and the City during his stay. We wish him and his wife well in their new responsibilities. He and his wife Betty have been called on an L.D.S. Mission to Texas, and will be leaving shortly. I am sure as they put the same amount of enthusiasm and energy into that responsibility that they will be extremely successful.

Request for Submissions

The resignation of Commissioner Gailey leaves an open seat on the Planning Commission. We are now making a request for submissions from residents who desire to be a member of the Planning Commission. For consideration, please submit a letter of intent to the City Recorder's Office before the end of October. If you have any questions please contact the City Recorder at 801-394-5541 ext. 1232.

Still asking for Veterans information

Another call for families of the Veterans of any branch of service in peace time or war, we want to honor all, male, female, living or deceased, that have ever lived here and served. We have received many names but want everyone to be included. Continue to bring or send in the names, dates of service, branch of service, and main areas of assignment to the City as quickly as possible. You can bring them in to any building in the City and we will get them to the proper persons. You can also mail or email them to info@riverdalecity.com. Please, in every case give us the information of who is submitting the names and how we can reach you in case we need further information.

Take the time to VOTE

Our City did not have a primary election this year, but those that did had a very dismal participation. We in Riverdale have always had a great tradition of having a higher percentage of voter turnouts, than that of most of our surrounding neighbors. We can and should in this "off year" election, take the time to know those who have chosen to serve you as local officials. Take the time to learn who they are, what they stand for and how they will represent you and your views. Then be sure to REGISTER and VOTE.

Thanks for all you do to make our City Great.
