

PICKLEBALL

ROCKS

Let's Play

Pickleball you ask?

It's OVERSIZED ping pong! Played on a badminton sized court with a tennis sized net.

Pickleball? It's a paddle sport for all ages and all athletic ability levels.

It has very simple rules and is easy to learn and play.

Just use a paddle to keep a plastic ball going back and forth over a net until somebody messes up. Simple right?

Teenagers love the fun of it.

Seniors love the social aspects and the ability to stay active and fit in towns and retirement communities.

Tennis, racquetball and ping pong players love the competitive nature of it.
