

## I-15 DAVIS-WEBER EXPRESS LANES

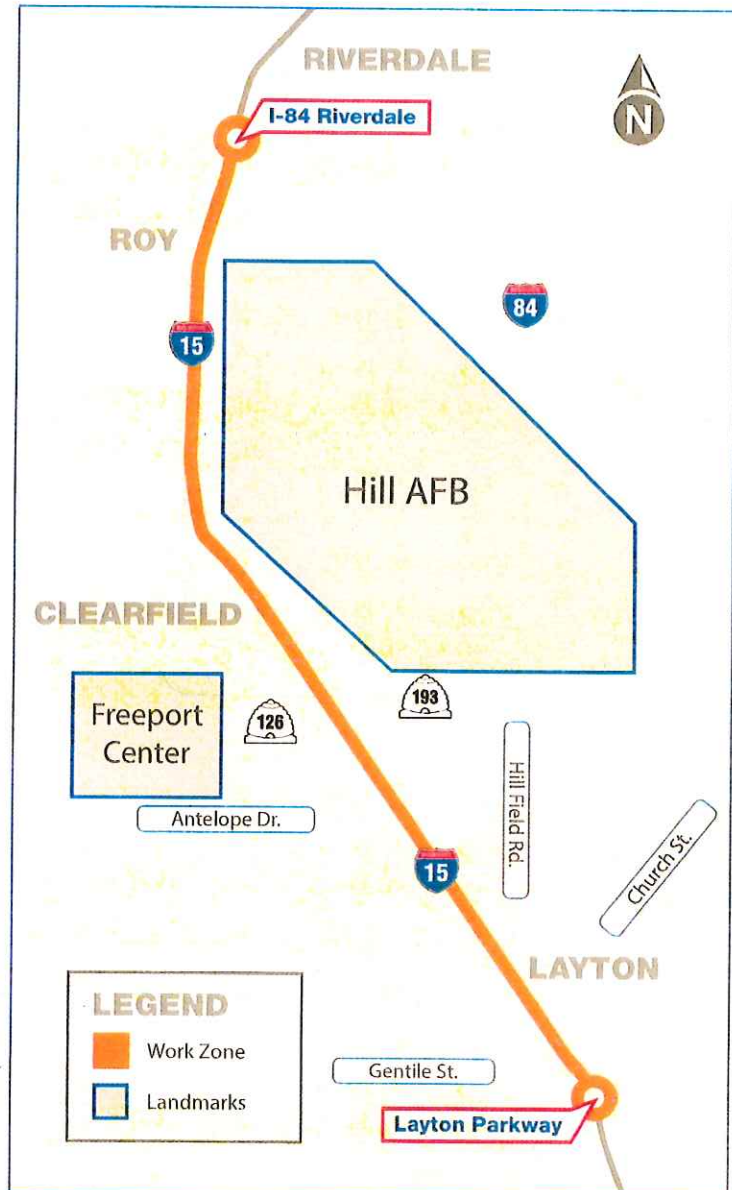

The Utah Department of Transportation (UDOT) will extend the I-15 Express Lanes from Layton Parkway to I-84 in Riverdale. This project will help increase mobility and reduce congestion along I-15. Construction is expected to begin early spring and continue through 2020.

### ADDITIONAL IMPROVEMENTS INCLUDE:

- New bridges over I-15 at Church Street and 200 South
- Extended the on-ramp from Layton Parkway to Hill Field Road
- Bridge widening and deck replacements at seven locations
- Ramp meters at the on-ramps from Riverdale Road, 650 North, 700 South and 200 South
- Improved northbound on- and offramps at 5600 South

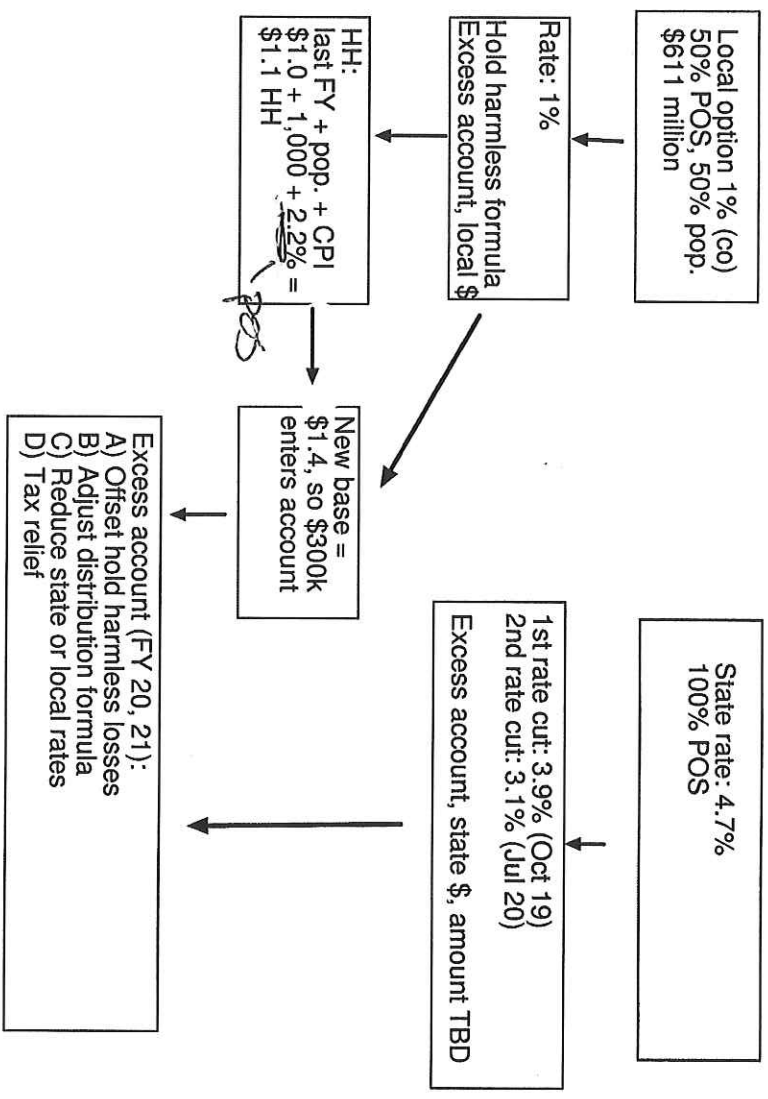

### WHAT TO EXPECT:

- Day and night work, seven days a week
- All lanes open during daytime hours, Monday through Friday
- Narrow, shifted lanes on I-15
- Occasional noise, dust or vibration

HB 441:  
 Short term: local rates, hold harmless formula, "do no harm" (impact neutral) v. "no windfall" (revenue neutral)  
 Medium term: interim discussion on rates/formulas, bill implementation  
 Long term: 1/3 increase in base, disparate impacts  
 Big picture: state revenue structure, changing economy, growing population

- 1) 1%: rate cut, short term hold harmless, other course?
- 2) 1%: if HH, what should the HH formula be?
- 3) 1%: interim on formula, rates; task force?
- 4) Account: who manages the money & for how long?
- 5) Account: any other uses of it?
- 6) Other 16 local: rate cut or hold harmless?
- 7) Other 16 local: bifurcate them? (resort v. transportation)
- 8) All: Impact on bonds from changes to any local rates?

# HB 441 - Tax Equalization and Reduction Act

Bill Summary - 02/28/2019

## Expanded base is offset by decreased rates and credits

- **The General Fund's tax base is broadened by an estimated \$36 Billion**
- **These increases in the base are offset by:**
  - Sales tax rate reduction to 3.10%
  - Income tax rate reduction to 4.75%
  - Expanded Utah Personal Exemption for low-to-middle income Utahns
    - Full expansion to level prior to federal tax reform for those making up to \$70,000 (Joint filing status)
  - EITC for Utahns experiencing intergenerational poverty
    - 10% of federal EITC amount
  - Social security benefits individual income tax credit
- **Implementation structure that phases-in the reduced sales tax rate to ensure assumptions are validated**
  - Jan. 1, 2020 - state sales and use tax rate reduced from 4.7% to 3.9%
  - Oct. 1, 2020 - if sales and use tax revenue collections meet or exceed revenue estimates, state rate reduced from 3.9% to 3.1%.
  - Fiscal Years 2019-2020 and 2020-2021 - any revenues collected in excess of revenue estimates put in restricted account to be used to lower sales and use tax rates
- **Hold harmless provisions for local option sales taxes**
  - Maintain statewide local rates (1.0% + 0.25%)
    - Beginning Jan. 1, 2020 any revenue in excess of previous year collection + growth factor put in restricted account for hold harmless distribution
      - Growth factor = CPI growth + statewide population growth
  - Reduce variable local option rates (0% - 2.75%) proportionate to new base
    - Reduced by 17% of original rate once on Jan 1, 2020 and once on Oct 1, 2020
    - Any revenue losses can be offset with restricted account funds
