AGENDA ITEM: D

SUBJECT: Review and approve the meeting minutes for the Planning Commission Meeting held on September 8, 2015 Regular Meeting and Work Session.

PETITIONER: Jackie Manning, City Recorder

INFORMATION:

- September 8, 2015 Work Session
- September 8, 2015 Regular Meeting

BACK TO AGENDA
Minutes of the Work Session of the Riverdale City Planning Commission held Tuesday, September 8, 2015, at 6:00 PM, at the Civic Center in the Administrative Offices, 4600 S Weber River Dr., Riverdale City, Weber County, Utah.

Present: Commissioners: Blair Jones, Chairman
Steve Hilton, Commissioner
Lori Fleming, Commissioner
Kathy Eskelsen, Commissioner
David Gailey, Commissioner
Cody Hansen, Commissioner

Excused: Michael Roubinet, Commissioner

City Employees: Mike Eggett, Community Development Director
Jackie Manning, City Recorder

Others Present: John Reeve

Chairman Jones welcomed the Planning Commission members to the Work Session and stated for the record that all were in attendance, with the exception of Commissioner Roubinet and Commissioner Hilton [Commissioner Hilton arrived at 6:03 PM].

Reports: Chairman Jones turned the time over to Mr. Eggett. Mr. Eggett reported the following activity for the community:

- New office building for Reeve and Associates
- Riverdale Business Park, phase 2, continues. Parking and grading is finished. The parking lot will soon be finished. There is a change in elevation, which will require a retaining wall, so the sidewalk will end at the railing. The retaining wall has started construction.
- Bravo Arts Academy grand opening September 19th.
- Horrocks Engineering is open; located in the Brooke Haven Building
- Planning Commission training will resume next meeting after Utah Leagues of Cities and Towns Conference
- Fallen Hero’s Ride, Harley Davidson, this Saturday [September 12, 2015] 11:30 AM to 2:00 PM. This may increase traffic.
- McDonalds Remodel, kitchen area. McDonalds is changing their kitchen layout to include a create-your-own sandwich station.
- Building plans for a new church.

Consent Items: Chairman Jones asked for any changes or corrections to the meeting minutes for August 25, 2015 meeting. There were no corrections requested.

Action Items: Chairman Jones invited comments regarding the action items. Mr. Eggett discussed the items as outlined in the executive summary and referred to the packet materials. He stated all departments within the city were comfortable with the plans. Mr. Eggett stated this property is in a CP3 Zone, Commercial Plan 3, which means the City Council will need to approve a Development Agreement prior to any conditions being added to this project. If the Planning Commission is comfortable with the plan tonight the review process will go in the following order: Planning Commission will review and approve Preliminary Plan and then forward the Final approval to City Council; the City Council will review and approve the Final, and will review and approve the Development Agreement. In between these reviews this project will be brought before the Design Review Committee.

Mr. Eggett introduced John Reeve, as the applicant. He stated the project is for a business office, which is permitted with the land-use for that zone. He read through the outstanding items, as seen in the packet. The applicant has met with the Public Works Director, Shawn Douglas, as well as the City Engineer and all parties are comfortable with this project.

Commissioner Hilton clarified they will need a motion for the preliminary site plan approval. Mr. Eggett discussed the vesting purpose of the preliminary plan. Commissioner Fleming confirmed it was a two story building, to which Mr. Reeve confirmed Reeve and Associates will occupy both levels of the building. Mr. Eggett noted there was adequate parking.

Discretionary Items: Chairman Jones asked if there were any discretionary items. Mr. Eggett reminded the Planning Commission of the combined strategy meeting will be held on September 29, 2015 at 6:00 PM at the senior center.

Adjourn: Having no further business to discuss the Planning Commission adjourned at 6:13 PM to convene into their Regular Planning Commission Meeting located in the Council Chambers.
Minutes of the Regular Meeting of the Riverdale City Planning Commission held Tuesday, September 8, 2015, at 6:30 PM, at the Civic Center, 4600 S Weber River Dr., Riverdale City, Weber County, Utah.

- McDonalds Remodel, kitchen area. McDonalds is changing their kitchen layout to include a create-your-own sandwich station.
- Building plans for a new church.

D. Consent Items

Chairman Jones asked for changes or corrections to the meeting minutes from August 25, 2015 Work Session and Regular Meeting. There were not any corrections requested.

MOTION: Commissioner Fleming made a motion to approve the Work Session and Regular Meeting minutes for the August 25, 2015 Planning Commission Meeting as written. The motion was seconded by Commissioner Gailey.

There was no discussion regarding this motion.

CALL THE QUESTION: The motion passed unanimously.

E. Action Items

1. Consideration of Preliminary Site Plan approval for proposed Reeve Office Building, Lot 2 Hayward Business Park Subdivision, 5175 S 1500 W Riverdale, UT, 84405

Mr. Eggett summarized an executive summary that explained:
Reeve and Associates, Inc., as represented by John Reeve, have applied for a Preliminary Site Plan review of the
Reeve Office Building as a proposed professional office building development located at approximately 5175 South 1500
West in a Planned Regional Commercial (CP-3) zone. This site plan is being proposed for development on Lot 2 of the
previously approved Hayward Subdivision. A public hearing is not required to consider this Site Plan proposal. Following
the presentation and discussion of the proposal, the Planning Commission may make a motion giving preliminary
approval of the Reeve Office Building site plan proposal. Approval of the proposed site plan with any requested
modifications, or not giving preliminary approval of the Reeve Office Building site plan. If preliminary approval was
provided, then this matter could move forward to a future Final Site Plan review process with the Planning Commission.

Title 10 Ordinance Guidelines (Code Reference)

This Preliminary Site Plan review is regulated under City Code 10-21 “Subdivisions” and 10-25 “Development in All
Zones”, and is affected by City Codes 10-108 “Planned Commercial Zones (CP-1, CP-2, CP-3)”, 10-13F “Special Use
Districts – Hillside”, 10-14 “Regulations Applicable to All Zones”, 10-15 “Parking, Loading Space; Vehicle Traffic and
Access”, 10-16 “Sign Regulations”, and uses listed in 10-10A-4 “Commercial Zones (C-1, C-2, C-3)”, which are all
deemed conditional uses in Planned Commercial Zones (the conditional uses may be granted following City Council
review and potential approval of the Development Agreement).

The proposed development parcel was previously established and subdivided in 2007-08 as Hayward Business Park,
Lot 2. Since that time, the original applicant was not able to complete the original project intended for this site. Mike Ford
has since purchased this property and Reeve and Associates, Inc. has interest in developing Lot 2 for professional office
use. The property is in a CP-3 zone which requires the developer of the site to participate in a development plan
discussion with the City. Under City Code 10-10B-2, it states that the development plan should include an outline of uses
indicated to be allowed in the CP-3 zone as part of the development plan approval. The developer has provided a draft
development agreement that does list the intended uses for the proposed building spaces.

Attached with this executive summary is a document entitled “Preliminary Site Plan Review – Reeve Office Building
(Hayward Subdivision Lot #2)”; this is a supplementary document addressing items on the Preliminary Site Plan
application document. Also attached, following this executive summary, are comments from the Public Works Director,
the Fire Chief, the Police Lieutenant, and contracted City Engineer. The Planning Commission should discuss any
concerns raised by these summaries.

The Planning Commission and the applicant need to be sensitive to the fact that this is a CP-3 zone and per 10-10B-
6 of the City Code, this development needs to have an acceptable relationship to, and further the purposes of, the overall
plan for this area of the City (i.e. aesthetic relationship to already existing buildings, maintenance of facilities, etc).

Building elevation has not been provided at this time, however many details regarding this structure have been
provided in the attached “Preliminary Site Plan Review” document and on the project drawings cover sheet. The applicant
has indicated that a building elevation drawing (showing in more detail the height, building materials, and overall aesthetic
nature of the proposed structure) will be forthcoming. A building elevation drawing is key in determining architectural and
aesthetic compatibility to other buildings and uses within this CP-3 zone area.

The Planning Commission is encouraged to briefly discuss signage plans with the petitioner to better understand how
signage will work in this area; signage is regulated per City Code 10-16 (specifically section 8.(b.) for Commercial
Districts); the applicant should be directed to adhere to this Code when contemplating signage.

Staff would encourage the Planning Commission to review this matter and then discuss with the petitioner concerns
raised by staff and/or the Planning Commission. Staff would then recommend that the Planning Commission may make a
motion giving preliminary approval of the Reeve Office Building site plan proposal. Approval of the proposed site plan with
any requested modifications, or not giving preliminary approval of the Reeve Office Building site plan. If preliminary
approval was provided, then this matter could move forward to a future Final Site Plan review process with the Planning
Commission.

Mr. Eggett stated elevation information has not been received as of yet. The City Engineer, Public Works Director,
and the applicant have worked together in addressing the outstanding concerns. The applicant is in full agreement to the
outstanding items and will address them prior to Final approval. The draft development agreement will be shortly reviewed
by the City Attorney this next week, with a full report on the next Planning Commission Meeting.

Chairman Jones invited the applicant to comment. John Reeve, who lives in the Uintah Highlands, welcomed any
questions from the Commissioners. Mr. Reeve confirmed the elevations are currently being drafted. Mike, from Bravo
Academy, was in attendance as of 6:35 PM. Commissioner Hilton welcomed John Reeve and asked about the anticipated
design of the building. Mr. Reeve described the architecture of the building to include slopes and consist of brick and rock.
He explained the building will be 2 levels; totaling 80 thousand square feet. Reeve and Associates will occupy both levels.
There will be lighting on the sidewalk and parking lot. The main goal is to be findable, but nothing too flashy.

Commissioner Gailey asked the nature of traffic they expect. Mr. Reeve stated regular vehicle traffic, no semi’s
anticipated. He noted it may be rare for a dump truck to be parked at the business. Chairman Jones echoed prior
concerns expressed by Commissioner Roubinet regarding trucks adding to the dumpsters. The homeowners in the surrounding areas complain about third parties dumping the trash in the morning.

Commissioner Hilton asked if they had any concerns regarding the outstanding items. Mr. Reeves stated he had no concerns with the outstanding items the City has requested and agreed to full compliance.

**MOTION:** Commissioner Hilton moved to approve the Preliminary Site Plan approval for proposed Reeves Office Building, Lot 2 Hayward Business Park Subdivision, 5175 S 1500 W Riverdale, UT, 84405. Commissioner Fleming seconded the motion.

Chairman Jones invited discussion regarding the motion. There was not a discussion.

**CALL THE QUESTION:** There was a roll call vote: Commissioners Jones, Hilton, Gailey, Eskelsen, Fleming, and Hansen all voted in favor; the motion passed unanimously.

**F. Discretionary Items**

Chairman Jones invited discussion for any discretionary items. Commissioner Gailey noted there did not appear to be a traffic impact from Bravo Arts Academy as was originally anticipated.

**G. Adjournment**

**MOTION:** There being no further business to come before the Planning Commission, Commissioner Fleming moved to adjourn the meeting. Commissioner Hilton seconded the motion; all voted in favor.

The meeting adjourned at 6:47 PM.

Planning Commission 
Executive Summary 

For the Commission meeting on: 09-22-2015 

Petitioner: Reeve and Associates, Inc (Nate Reeve)

Summary of Proposed Action

Reeve and Associates, Inc., as represented by Nate Reeve, have applied for a Site Plan review of the Reeve Office Building as a proposed professional office building development located at approximately 5175 South 1500 West in a Planned Regional Commercial (CP-3) zone. This site plan is being proposed for development on Lot 2 of the previously approved Hayward Subdivision. A public hearing is not required to consider this Site Plan proposal. Following the previous preliminary review of the Site Plan, the Planning Commission provided a favorable approval of the Preliminary Site Plan, subject to providing elevation renderings and resolving outstanding City Staff and Engineering concerns. Following the presentation and discussion of the Final Site Plan proposal, the Planning Commission may make a motion to recommend City Council approval of the Reeve Office Building site plan proposal, approval of the proposed site plan with any requested modifications, or not provide a recommendation to City Council for approval of the Reeve Office Building site plan. If this recommendation for approval was provided, then this matter could move forward to the City Council for consideration of approval for the proposed Final Site Plan.

Title 10 Ordinance Guidelines (Code Reference)

This Final Site Plan review is regulated under City Code 10-21 “Subdivisions” and 10-25 “Development in All Zones”, and is affected by City Codes 10-10B “Planned Commercial Zones (CP-1, CP-2, CP-3)”, 10-13F “Special Use Districts - Hillside”, 10-14 “Regulations Applicable to All Zones”, 10-15 “Parking, Loading Space; Vehicle Traffic and Access”, 10-16 “Sign Regulations”, and uses listed in 10-10A-4 “Commercial Zones (C-1, C-2, C-3)”, which are all deemed conditional uses in Planned Commercial Zones (the conditional uses may be granted following City Council review and potential approval of the Development Agreement).

The proposed development parcel was previously established and subdivided in 2007-08 as Hayward Business Park, Lot 2. Since that time, the original applicant was not able to complete the original project intended for this site. Mike Ford has since purchased this property and Reeve and Associates, Inc. has interest in developing Lot 2 for professional office use. The property is in a CP-3 zone which requires the developer of the site to participate in a development plan discussion with the City. Under City Code 10-10B-2, it states that the development plan should include an outline of uses indicated to be allowed in the CP-3 zone as part of the development plan approval. The developer has provided a draft development agreement that does list the intended uses for the proposed building spaces.

Attached with this executive summary is a document entitled “Final Site Plan Review - Reeve Office Building (Hayward Subdivision Lot #2)”: this is a supplementary document addressing items on the Site Plan application document. Also attached, following this executive summary, are comments from the Public Works Director, The City Attorney, the Fire Chief, the Police Chief, the City Administrator, and contracted City Engineer. The Planning Commission should discuss any concerns raised by these summaries.

The Planning Commission and the applicant need to be sensitive to the fact that this is a CP-3 zone and per 10-10B-6 of the City Code, this development needs to have an acceptable relationship to, and further the purposes of, the overall plan for this area of the City (i.e. aesthetic relationship to already existing buildings, maintenance of facilities, etc). A building elevation and building facility layout has been provided.
for the Reeve Office Building project. A building elevation drawing is key in determining architectural and aesthetic compatibility to other buildings and uses within this CP-3 zone area.

Building signage is regulated per City Code 10-16 (specifically section 8.(b.) for Commercial Districts): the applicant should be directed to adhere to this Code when contemplating signage.

Staff would encourage the Planning Commission to review this matter and then discuss with the petitioner concerns raised by staff and/or the Planning Commission. Following discussion in this matter, the Planning Commission may make a motion to recommend City Council approval of the Reeve Office Building site plan proposal, approval of the proposed site plan with any requested modifications, or not provide a recommendation to City Council for approval of the Reeve Office Building site plan. If a recommendation for approval was provided, then this matter could move forward to the City Council for consideration of approval for the proposed Final Site Plan.

**General Plan Guidance (Section Reference)**

The General Plan use for this area is currently set as “Commercial/Office/Business Park” and this proposed project would comply with this land use.

**Legal Comments - City Attorney**

Steve Brooks, Attorney

**Administrative Comments - City Administrator**

Final Site Plan Review – Reeve Office Building (Hayward Subdivision Lot #2), 5175 South 1500 West

Completed by Mike Eggett, Community Dev. Director on 8/31/2015 & Updated on 9/14-15/2015

**Recommendation:** City staff recommends that the Planning Commission examine and review items associated with this proposed final site plan review. Items of consideration or note have been highlighted in yellow for potential discussion purposes. City staff recommends that the Planning Commission act accordingly to provide a final recommendation for site plan approval, or not provide said recommendation for the proposed Reeve Office Building site plan, with any additional comments or concerns to be addressed by the developer.

Attn:  Mike Eggett, Community Development Director
Proj: Reeve Office Building
Subj: Improvement Plans and Storm Water Calculations Review #2

Dear Mike,

I have reviewed the “Improvement Drawings” and the “Storm Water Calculations” for the above referenced project and have the following comments which need to be addressed:

- The Storm Water Calculations submitted will need to be re-checked by the Engineer and possibly revised based upon a 100 year, 24 hour storm event.
  - Attached is our storm water calculations which differ from the design submitted.
  - The detention basin shown on sheet 6 of 11 is different from sheet 10 of 11. A correction may need to be completed to one or the other drawings.
- The on-site storm water system will need to include a storm water cleaning facility manhole which is capable of removing sediments, debris and oils from the storm water discharged from the site. (“Stormceptor” or similar approved equal).
- The culinary water meter lid will need to be furnished with a hole in the lid that will accept an electronic/remote reading unit.

If you have any questions feel free to contact our office at 866-0550.

Sincerely,
CEC, Civil Engineering Consultants, PLLC.

Nate, all of the output data seems to be blank? It didn’t reference floatables or sediment that I could see? Thanks

Shawn,

We researched your concern with Oldcastle Precast. Please refer to the design report that they created for this product.

Nate and/or Chris:

I received this review comment back from Shawn relative to the oil/water separator proposal on the Final Site Plans for the Reeve Office Building. It may be worth calling Shawn from your end today to discuss this and try to find a resolution as it relates to this matter.

Please let me know if you have any follow-up questions.

Thank you,

Mike Eggett

Subject: RE: Reeve Office Building Site Plan - Final plans update needed

Mike, the only concern I still have is with the oil/water separator they have proposed. On the bravo building they proposed a stormceptor style unit. The proposed unit doesn’t seem to be as efficient. If they are going to stay with the proposed unit I need to see the calculated removal rates for sediment, floatables, oil etc. on the unit they are proposing. If they will provide these we can determine if the is an acceptable unit. I will be out of the office until Wednesday, if they provide information I could review it first thing that morning. Thanks

Mike,

I didn’t see anything that jumped out at me as a cause for concern. I didn’t check some of the things that you deal regularly with for any accuracy (percent of landscape, types of uses, etc.) but overall it looked fine...

Mike, thanks for allowing us some input on this project. I really don’t have any concerns about this building or this location.

Sincerely,

Dave
Mike-

I have reviewed these plans, with no suggested changes. I think the building and use will be great addition to the area.

DEVELOPMENT AGREEMENT
REEVE OFFICE LLC
LOCATED AT 1444 WEST 5175 SOUTH
RIVERDALE CITY, UTAH

This Development Agreement is entered into as of this ____ day of September, 2015, by and between NATE REEVE, as the developer of a project known as “REEVE & ASSOCIATES, INC OFFICE (old HAYWARD BUSINESS PARK LOT 2)” (the “Project”), located at 1444 West 5175 South in the City of Riverdale, a municipality and political subdivision of the State of Utah, by and through its City Council (the “City”).

RECITALS:

A. Nate Reeve is the developer of approximately 0.91 acres of real property located in the City of Riverdale, Weber County, Utah, known as the “REEVE & ASSOCIATES, INC OFFICE (old HAYWARD BUSINESS PARK LOT 2).” The property consists of approximately 0.91 acres, the legal descriptions and map are attached as Exhibit A, parcels of which are zoned CP-3.

B. Nate Reeve is willing to design and develop the Project in a manner that is in harmony with, and intended to promote, the long-range policies; goals; and objectives of the City’s general plan, zoning and development regulations, as more fully set forth below.

C. The City, acting pursuant to its authority under Utah Code Annotated, § 10-9a-101, et seq., and in furtherance of its land use policies; goals; objectives; ordinances; resolutions; and regulations, has made certain determinations with respect to the proposed Project and, in the exercise of its legislative discretion, has elected to approve this Development Agreement.

NOW, THEREFORE, in consideration of the mutual covenants, conditions, and terms as more fully set forth below, REEVE OFFICE LLC and the City hereby agree as follows:

1. Approval of Overall Development Plan for Project.

1.1 Property Affected by This Agreement. It is the intention and understanding of the parties that the development will comply with all requirements of zoning. The legal description of the Property contained within the Project boundaries is Hayward Business Park Lot 2. No additional property may be added to this description for purposes of this Agreement, except by written amendment to this Agreement executed and approved by the parties hereto. In the event that circumstances change, the parties may agreed to a deviation of the planned use and projected future phase site plans in a written amendment to this Agreement executed and approved by the parties hereto, with approval not unreasonably withheld.

1.2 Planned Uses. The planned uses in the Project, which have been approved as a part of the final site plan, include the following. All uses which are
substantially similar or incidental to those listed below shall be considered approved planned uses.

a. Professional office;
b. General sales warehouse and distribution;
c. Air conditioning, sales and service and similar uses;
d. Antique, import, or souvenir shop;
e. Archery Shop and range, provided conducted within completely enclosed building;

3. The Developer represents to the City that the Plat for this proposed Development complies with all City, county, state, and federal laws and regulations, including but not limited to: subdivision ordinances; zoning ordinances; and environmental regulations. This has been reviewed and approved by the City.

4. **Specific Architectural and Design Standards.** The Project shall comply with the specific architectural and design standards set forth below, in addition to the other applicable ordinances and regulations of Riverdale City.

4.1.1 Landscaping Requirements. Landscaping requirements shall include landscaping located on “REEVE & ASSOCIATES, INC OFFICE (old HAYWARD BUSINESS PARK LOT 2)

4.1.2 Approval shall include the approved landscaping as shown, which is attached hereto and incorporated by this reference. Enlarged copies will be on file with the City. This plan includes the following information:
Landscape Area: 20% Business/Commercial Areas within (including public right-of-ways; landscape to include all green planting; decorative hardscape; and xeriscape.

4.1.3 Final Landscaping Plan. The final landscaping plan shall be submitted for review and approval and shall include the following terms and conditions:
   a. The total area under development;
   b. Designed by a registered Landscape Architect;
   c. A list of plants and trees and their size and location.

4.2 Architectural Standards. The Project shall comply with the architectural standards, which are intended to ensure that the front, side, and rear exterior treatment of the buildings shall be as generally depicted on the enlarged exhibits on file with the City.

4.3 Parking. The Project shall comply with the proposed parking on the site plan and which shall be depicted on the final engineering and building plans.

4.4 reserved not used.

4.5 Signs. The Developer represents to the City that all signage for this proposed Development complies with all City, county, state, and federal laws and regulations, including but not limited to: subdivision ordinances; zoning ordinances; jurisdictional codes; and environmental regulations. The City shall be responsible for enforcing said ordinances.

4.6 Utilities. Plans for water, sewer, streets, and storm drainage shall be reviewed and approved by the Design Review Committee. All utilities,
including drainage systems; sewer; gas and water lines; electrical; telephone and communication wires and related equipment; irrigation ditches and/or pipes, shall, where possible, be installed and maintained underground. Developer shall, at developer’s expense, prepare; grant; and deliver to the City, any and all necessary utility easements for any and all city owned utilities.

4.7 Equipment.
   a. Mechanical equipment (including, but not limited to components of plumbing, processing, heating, cooling, and ventilating systems) shall be appropriately screened when possible, as depicted on the approved site plan and related exhibits referenced herein, or as otherwise approved by the Design Review Committee.
   b. Any necessary exterior components of such mechanical equipment shall be approved by the Design Review Committee and integrated to the extent reasonably possible as part of the architectural design features and colors.
   c. Equipment, mechanical devices, electric transformers, utility pads, cable television and telephone boxes shall be appropriately screened, where possible, by vegetation, walls, fences, or otherwise enclosed in a manner harmonious with the overall architectural theme and character of the Project.

4.8 Additional Use Restrictions. The property shall not be used in such a manner as to create a nuisance to any adjacent sites such as, but not limited to, vibration; sound; electro-mechanical disturbance and radiation; air or water pollution; dust; emissions of noxious matter; or placement, dumping or blowing refuse, paper or other garbage.
   a. The Developer shall provide adequate sound attenuation, in accordance with the requirements of the Design Review Committee.
   b. Outside speakers, pagers and sound or music systems of any kind or nature whatsoever are strictly prohibited unless the sounds are inaudible from any residential zone.
   c. No vending machines or newspaper racks will be permitted outside of the building overhang area.
   d. Lighting may not spill over to nearby residential areas and LED lights that use less energy are encouraged. These will include both shielded and directed lighting.
   e. The Developer and/or business owner is responsible for the perpetual maintenance of the common area landscaping, open space areas and common areas of the Plat and will provide that all landscaping (trees, plants, sod, etc.) within the Plat shall be maintained and remain alive and in good quality, and disease-free.
4.9 Substructures, Storage/Refuse Collections, Flags and Flag Poles, Etc.
   a. All outdoor storage shall be visually screened from access streets, freeways, and adjacent property.
   b. Refuse removal, trash collection, and lot sweeping shall occur between the hours of 7:00 a.m. and 10:00 p.m.

5.1 Vested Rights. Subject to the provisions of this Agreement, Mike Ford shall have the right to develop and construct the Project in accordance with the uses, densities, intensities, and general configuration of development approved by this Agreement, subject to compliance with the other applicable ordinances and regulations of Riverdale City.

5.2 Reserved Legislative Powers. Nothing in this Agreement shall limit the City’s future exercise of its police power in enacting generally applicable land use laws after the date of this Agreement. Notwithstanding the retained power of the City to enact such legislation under the police powers, such legislation shall only be applied to modify the vested rights of Mike Ford under this Agreement based upon policies; facts; and circumstances meeting the compelling, countervailing public interest exception to the vested rights doctrine in the State of Utah. Any such proposed change affecting the vested rights of the Project shall be of general application to all development activity in the City and, unless the City declares an emergency, Developer shall be entitled to prior written notice and an opportunity to be heard with respect to the proposed change and its applicability to the Project under the compelling, countervailing public policy exception to the vested rights doctrine.

6.1 The Design Review Committee shall meet on an as-needed basis to review final engineering and building plans for the Project. The Design Review Committee is authorized to grant building permit approval if the final engineering and building plans are in compliance with the provisions of this Agreement. In the event of a dispute between the Design Review Committee and the Developer, the issue(s) in dispute shall be submitted for a decision to the City Council. The Design Review Committee must review all aspects of the Project to ensure that it meets the plans approved by the Planning Commission and City Council. The Developer shall pay for any additional professional review of the projects as necessary.

6.2 Design Review Committee Membership and Organization. Unless otherwise listed by code, the Design Review Committee shall be:
   a. Mayor (or his designee);
   b. City Administrator;
   c. Building & Zoning Official;
d. City Planner;
e. Planning Commission Chairman (or his designee);
f. Community Development Director; and
g. Public Works Director.

The mayor or in his absence, the City Administrator, shall serve as Chairman of the Design Review Committee. The City Building Official shall ensure developer compliance with all decisions of the Design Review Committee. The Design Review Committee may consult with other City staff and retain the services of other consultants (such as an architect, landscape architect, or traffic engineer) as necessary to review technical compliance with the provisions of this Agreement.

7. **Successors and Assigns.**

7.1 **Binding Effect.** This Agreement shall be binding on the successors and assigns of Mike Ford in the ownership or development of any portion of the Project.

7.2 **Assignment.** Neither this Agreement nor any of the provisions, terms, or conditions hereof may be assigned to any other party, individual, or entity without assigning the rights, as well as the responsibilities, under this Agreement and without the prior written consent of the City, which consent shall not be unreasonably withheld. Any such request for assignment may be made by letter addressed to Riverdale City and the prior written consent of the City may also be evidenced by letter from the City to Mike Ford. This restriction on assignment is not intended to prohibit or impede the sale of parcels of fully improved, partially improved, or unimproved land by Mike Ford prior to construction of building improvement on the parcels, with Mike Ford retaining all rights and responsibilities under this Agreement. Upon completion of the development project, as defined herein, Developer shall not be required to seek approval for alienation of the project.

8. **General Terms and Conditions.**

8.1 **Term of Agreement.** The term of this Agreement shall be for a period of ten (10) years following the date of its adoption by the City Council, unless the Agreement is earlier terminated or its term modified by written amendment to this Agreement.

8.2 **Agreement to Run With The Land.** This Agreement may be recorded in the office of the Weber County Recorder against the Property and is intended to, and shall be, deemed to run with the land and shall be binding on all successors in the ownership of any portion of the Property.
8.3 **Construction of Agreement.** This Agreement shall be construed so as to effectuate the public purpose of implementing long-range planning objectives, obtaining public benefits, and protecting any compelling countervailing public interest, while providing reasonable assurances of continuing vested development rights.

8.4 **State and Federal Law.** The parties agree, intend, and understand that the obligations imposed by this Agreement are only such as are consistent with state and federal law. The parties further agree that if any provision of this Agreement becomes, in its performance, inconsistent with state or federal law, or is declared invalid, this Agreement shall be deemed amended to the extent necessary to make it consistent with state or federal law, as the case may be, and the balance of this Agreement shall remain in full force and effect.

8.5 **Relationship of Parties and No Third-Party Rights.** This Agreement does not create any joint venture, partnership, undertaking, or business arrangement between the parties hereto, nor any rights or benefits to third parties.

8.6 **Laws of General Applicability.** Where this Agreement refers to laws of general applicability to the Project, this Agreement shall be deemed to refer to other laws of Riverdale City.

8.7 **Integration.** This Agreement contains the entire agreement between the parties with respect to the subject matter hereof and integrates all prior conversations, discussions or understandings of whatever kind or nature and may only be modified by a subsequent writing duly executed and approved by the parties hereto.

8.8 **Applicable Law.** This Agreement is entered into under and pursuant to, and is to be construed and enforceable in accordance with, the laws of the State of Utah.

9. **Miscellaneous provisions.**

9.1. **City Storm-Water Management Plan.** To the extent allowable under the applicable Development Regulations, stormwater entering the subject Development will be collected and transported into the existing public drainage system in accordance with those standards and conditions approved and accepted by the City.

9.1.1. **Maintenance Agreement.** The Developer and/or current business owner must execute an inspection and maintenance agreement that shall operate as a deed restriction binding on the current property
owner and all subsequent property owners. The maintenance agreement shall:

a. Assign responsibility for the maintenance and repair of the stormwater facility to the owner of the property upon which the facility is located and be recorded as such on the plat for the property by appropriate notation.

b. Provide for a periodic inspection by the property owner for the purpose of documenting maintenance and repair needs and ensure compliance with the purpose and requirements of this chapter. The property owner will arrange for this inspection to be conducted by a registered professional engineer licensed to practice in the State of Utah who will submit a sealed report of the inspection to the public works department every five (5) years. It shall also grant permission to the City to enter the property at reasonable times and to inspect the stormwater facility to ensure that it is being properly maintained.

c. Provided that the minimum maintenance and repair needs include, but are not limited to, the removal of silt; litter; and other debris, the cutting of grass; grass cutting and vegetation removal; and the replacement of landscape vegetation in detention and retention basins and inlets and drainage pipes and any other stormwater facilities. It shall also provide that the owner shall be responsible for additional maintenance and repair needs consistent with the needs and standards outlined in the maintenance plan.

d. Provide that the maintenance needs must be addressed in a timely manner, on a schedule to be determined by the public works department and homeowners’ association.

e. Provide that if the property is not maintained or repaired within the prescribed schedule, the public works department shall have the maintenance and repair done at its expense and bill the same to the property owner(s). The maintenance agreement shall also provide that the public works department cost of performing the maintenance shall be a lien against the property.

f. The City shall have the discretion to accept the dedication of any existing or future stormwater management facility, provided such facility meets the requirements of this chapter, and includes adequate and perpetual access and sufficient areas, by easements or otherwise, for inspection and regular maintenance. Any stormwater facility accepted by the municipality must also meet the municipality’s construction standards and any other standards
9.2. **Development Site Clean Up.** The Developer shall promptly clean up any and all dirt and debris deposited on public streets or public property as a result of construction activity on the Plat. If Developer fails to clean up such dirt and debris within forty-eight (48) hours of notification by the City, the City shall clean up said dirt and debris and agrees to pay the City’s costs of such cleanup within thirty (30) days of billing.

### 10. Default

**10.1. Events of Default.**

10.1.1. Upon the happening of one or more of the following events or conditions, Developer or City, as applicable, shall be in default ("Default") under this Agreement:

a. A warranty, representation or statement made or furnished by Developer under this Agreement is intentionally false or misleading in any material respect when it was made;

b. A determination by City made upon the basis of substantial evidence that Developer has not complied in good faith with one or more of the material terms or conditions of this Agreement;

c. Any other act or omission, either by City or Developer, which (i) violates the terms of this Agreement, or (ii) materially interferes with the intent and objectives of this Agreement.

10.2. **Procedure Upon Default.**

10.2.1. Upon the occurrence of Default, the non-defaulting party shall give the other party thirty (30) days written notice specifying the nature of the alleged default and, when appropriate, the manner in which said Default must be satisfactorily cured. In the event that the Default cannot reasonably be cured within thirty (30) days, the defaulting party shall have such additional time as may be necessary to cure such default so long as the defaulting party takes action to begin curing such default within such thirty (30) day period and thereafter proceeds diligently to cure the default. After proper notice and expiration of said thirty (30) days or other appropriate cure period without cure, the non-defaulting party may declare the other party to be in breach of this Agreement and may take the action specified in Section 8.10.

10.2.2. Any Default or inability to cure a Default caused by strikes, lockouts, labor disputes, acts of God, inability to obtain labor or
materials or reasonable substitutes therefore, governmental restrictions, regulations, or controls, enemy or hostile governmental action, civil commotion, fire or other casualty, and other similar causes beyond the reasonable control of the party obligated to perform an obligation under this Agreement, shall excuse the performance of such obligation by such party for a period equal to the period during which any such event prevented, delayed or stopped any required performance or effort to cure a Default.

10.3. **Breach of Agreement.** Following the occurrence of a Default by Developer, after the expiration of all application notice and cure periods set forth above, City may declare Developer to be in breach of this Agreement and City (i) may elect to withhold approval of any or all building permits or certificates of occupancy applied for in the Project, but not yet issued; and (ii) shall be under no obligation to approve or to issue any additional building permits or certificates of occupancy for any building within the Project until Developer has cured such Default. In addition to such remedies, either City or Developer may pursue whatever additional remedies it may have at law or in equity, including injunctive and other equitable relief.

10.4. **Enforcement.** The parties to this Agreement recognize that City has the right to enforce its rules, policies, regulations, ordinances, and the terms of this Agreement by seeking an injunction to compel compliance, or by withholding building permits or any other lawful means. In the event Developer violates the rules, policies, regulations or ordinances of City applicable to the Property or otherwise violates the terms of this Agreement, City may, without declaring a Default hereunder or electing to seek an injunction, upon given thirty (30) days written notice to Developer specifying the nature of the alleged violation and, when appropriate, the manner in which said violation must be satisfactorily cured (or such longer period as may be reasonably required by Developer, so long as Developer has commenced the cure of such violation within such thirty (30) day period and has thereafter diligently proceeded to cure such default), take such actions as shall be deemed appropriate under law until such violations have been rectified by Developer, including the withholding of building permits. City shall be free from any liability arising out of the proper exercise of its rights under this paragraph.

10.5. **No Waiver.** Failure of a party hereto to exercise any right hereunder shall not be deemed a waiver of any such right and shall not affect the right of such party to exercise at some future time said right or any other right it may have hereunder. Unless this Agreement is amended by vote of the City Council taken from the same formality as the vote approving this agreement, no officer, official or agent of City has the power to amend, or
later modify this Agreement or waive any of its conditions as to bind City by making any promise or representation not contained herein.

10.6. **Attorney’s Fees.** Should any party hereto employ an attorney for the purpose of enforcing this Agreement, or any judgment based on this Agreement, for any reason or in any legal proceeding whatsoever, including insolvency; bankruptcy; arbitration; declaratory relief; or other litigation, including appeals or rehearings, and whether or not an action has actually commenced, the prevailing party shall be entitled to receive from the other party thereto reimbursement for all attorney’s fees and all costs and expenses. Should any judgment or final order be issued in any proceeding, said reimbursement shall be specified therein.

10.7. **Notices.**

All notices hereunder shall be given in writing by certified mail, postage prepaid, at the following addresses:
