RDA Executive Director Rodger Worthen said he and Community Development Director Michael Eggett and Business Administrator Lynn Fortie recently met with RDA Attorney

Mr. Worthen said included in the packet was a list compiled by Mr. Eggett for the 550 West Project Area delineating where monies were initially borrowed from so that the proper fund can be reimbursed as the project area develops. Mr. Eggett said the numbers include the land purchase price with additional costs associated including the removal of any existing homes that needed to be demolished. He said he worked closely with Business Administrator Lynn Fortie to calculate the interest. Mr. Worthen said staff isn't requesting any action be taken on this item tonight and he said a report on the West Bench RDA Project Area will be provided for the Board's review at their next meeting. Councilor Griffiths asked why both reports weren't included for tonight's discussion and Mr. Worthen explained it was just an oversight.

He said this woman raised 10 children and loves Riverdale and proudly told him she will have her RDA loan paid off by the end of the year. RDA Board Executive Summary

For the RDA meeting on:
June 2, 2015

Presenter:
RDA Exec. Director Rodger Worthen

Summary of Proposed Action

Authorization to participate with the Utah Transit Authority installation of five additional bus stops on Riverdale Road.

Summary of Supporting Facts & Options

The City RDA and UTA have been in discussion to install new transit bus stops at the following locations along Riverdale Road: 4177 South (noodles restaurant) 4191 South (Best Buy Store) 4067 South (chick fil a let restaurant) 4262 South (Discount Tire store) 4066 South (Shopko store). The City's RDA is requesting authorization to work with UTA and property owners to secure easements and participate up to one-half of the cost for installation of new stops along Riverdale Road.

The cost for easement, materials, and construction for four of these sites (excludes Shopko site) is \$63,500. The City's RDA would participate in conjunction with UTA for one half of the projected installation costs for a total of \$31,750. The RDA has established a budget of \$100,000 dollars to complete this work and budgeted again in next year for 2016.

The RDA is requesting from the board authorization to move forward and enter into a joint UTA participation/agreement in the construction and cost up to the budget amount \$100,000. Work on the bus stop at the Shopko store site (easement/property owner approval) will entail future discussions with the property owner(s) and significant construction work and cost once acquired. If necessary, the Shopko site may need to be reviewed once again with the RDA board dependent upon easements and costs.
